CHANGE OF FINANCIAL YEAR END DATE

The financial year end date of the Company and its subsidiaries will be changed from 31st December to 31st March.

The board of directors (the "Board") of Automated Systems Holdings Limited (the "Company") announces that the financial year end date of the Company and its subsidiaries (the "Group") will be changed from 31st December to 31st March from the financial year ending 31st December, 1999.

Following the change, the Group's forthcoming announcements of its financial results will be released as follows:

- (a) the unaudited interim results covering the twelve months ending 31st December 1999 will be published on or before 31st March, 2000 (the "Publication Date") and the relevant interim report will be despatched to shareholders as soon as possible after the Publication Date; and
- (b) the publication of the preliminary announcement of results and the distribution of the audited financial statements together with the directors' report for the fifteen months period from 1st January 1999 to 31st March 2000 will be made on or before 6th August, 2000.

The reason for the change of financial year end date is to match the Group's financial year end date with the financial year end date of CSC Computer Sciences International Inc. ("CSI"). CSI is currently holding 73.15% of the issued share capital of CSA Holdings Ltd. ("CSA") which is the controlling shareholder holding approximately 67.75% of the issued share capital of the Company. The financial year end of CSI is 31st March.

The Company does not foresee any material financial impact on the Group after the change.
